

Sydney Football Stadium Redevelopment

Extension of working hours to Sundays

22 June 2020

Dear neighbour

We are writing to notify you that from Sunday 28 June, John Holland and subcontractors will commence works on Sundays, in line with the changes to construction work hours announced by the Planning and Public Spaces Minister on 2 April 2020.

The Environmental Planning and Assessment (COVID-19 Development – Construction Work Days) Order 2020 is now in place and allows construction sites in NSW to operate on weekends and public holidays.

You can view a copy of the Order by searching for Government Gazette No 68 on gazette.legislation.nsw.gov.au.

Further to our notification of 6 April 2020, we are extending our working hours to Sundays, from 8am – 3pm.

Our working hours on other days will remain the same, Monday to Friday to 7am to 6pm, and Saturdays from 7am to 6pm – with most of the work expected to be completed by 3pm on Saturdays. There will be no works on public holidays.

We understand the potential impacts this may cause to our neighbours so we will take all feasible and reasonable measures to minimise noise, traffic and vibration impacts during these extended work hours.

In line with the Order, no high impact activities such as rock breaking, rock hammering, sheet piling, pile driving or similar activities will be carried out during these extended work hours.

The health and safety of the community and all people working on the project is paramount. The project continues to practice social distancing, and has implemented additional health and personal hygiene measures consistent with health advice, to ensure work can continue safely on site.

If you have any questions, please do not hesitate to contact us via the project phone line and email below.

Thank you for your patience and ongoing cooperation during this essential work.

Yours sincerely,

The Sydney Football Stadium Redevelopment Project Team
