

Sydney Football Stadium Redevelopment

Oversize, overmass movements

23 September 2021

Dear neighbour

The NSW Government is redeveloping the Sydney Football Stadium into a modern, world-class venue, to ensure Sydney has a sporting and entertainment precinct of an international standard.

We are writing to notify you that John Holland will be undertaking oversize, overmass traffic movements at the Sydney Football Stadium redevelopment the week commencing 27 September at the following dates and times (weather permitting).

Gate 1A on Moore Park Road:

- **Monday 27 September:** 12am - 5am
- **Tuesday 28 September:** 12am - 5am
- **Wednesday 29 September:** 12am - 5am
- **Thursday 30 September:** 4am - 5am
- **Friday 1 October:** 4am - 5am

The oversize, overmass traffic movements have to be scheduled during times where traffic levels are low on the surrounding roads, and will be under traffic control where required.

The oversize, overmass traffic movements have been approved by the Department of Planning, Industry and Environment and all required road occupancy licences, permits and approvals have been granted.

The Site Manager will be contactable on 0417 575 958.

If you have any questions, please do not hesitate to contact us via the project phone line and email.

Thank you for your patience and ongoing cooperation during this essential work.

Yours sincerely,

The Sydney Football Stadium Redevelopment Project Team
