Out of hours works

12 May 2022

Dear neighbour

The NSW Government is redeveloping the Sydney Football Stadium into a modern, world-class venue, to ensure Sydney has a sporting and entertainment precinct of an international standard.

As part of the redevelopment, out of hours works are required for internal fitout trades.

The out of hours works have been approved by the Department of Planning and Environment.

Internal fitout works are scheduled from Monday 16 May, until 30 June 2022:

- **Monday to Friday:** 6pm to 12am
- **Saturdays:** 1pm-12am
- **Sundays:** 8am to 12am

The Site Manager will be contactable during the out of hours work on 0437 040 656.

What to expect

No high impact work is permitted. We will take all feasible and reasonable measures to minimise noise and other impacts during these works.

Internal fitout works will be restricted to the internal sections of the project site.

Noise monitoring will be conducted regularly and where noise levels are confirmed to exceed predicted allowable levels, appropriate respite will be offered to affected residents.

Yours sincerely,

The Sydney Football Stadium Redevelopment Project Team
