## Out of hour works – Dirrabarri Lane

Construction activity is well underway at the Powerhouse Parramatta project site. As work progresses, site accommodation and overhead protective hoardings will be installed in Dirrabarri Lane.

### Key dates

From Monday 29 May for approximately 4 weeks.

### Location

Dirrabarri Lane, Parramatta

### Out of hours work in Dirrabarri Lane

From **Mondays to Thursdays for approximately 4 weeks from Monday 29 May**, several works will take place in Dirrabarri Lane:

- Install of overhead protective hoardings
- Install of site accommodation above the hoarding.

Due to the proximity of work to Phillip Street and Dirrabarri Lane, these works will be completed outside of standard construction hours, between **6pm and 2am**.

### Traffic management

Throughout the works, pedestrian and vehicle traffic in Dirrabarri Lane will be maintained. Traffic control will be in place to manage movement.

A tower crane will be used to lift sections of completed hoarding on to Dirrabarri Lane, with elevated work platforms used on the road by workers to secure hoardings in place.

### Health and safety

All effort will be made to minimise noisy activities in Dirrabarri Lane from approximately 9pm, with a focus on constructing the majority of each section within the construction site to reduce works over the road.

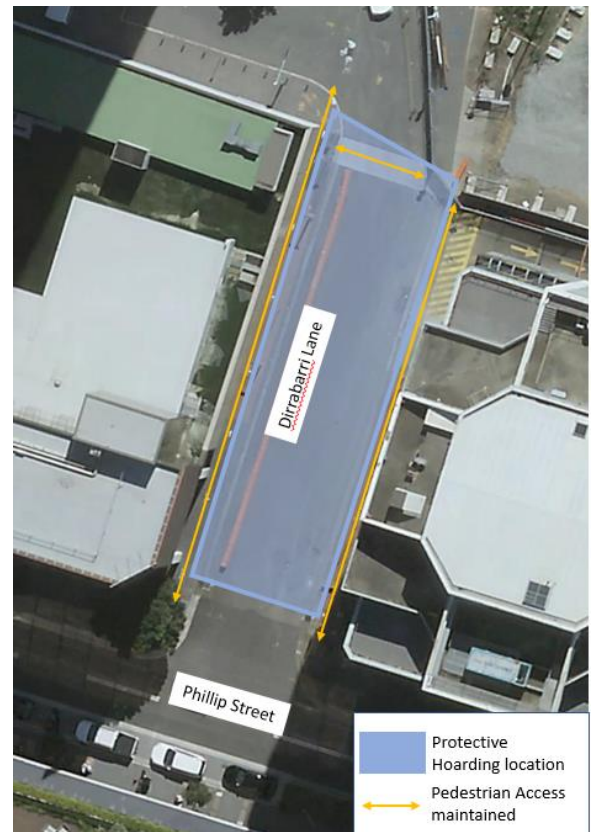

Strict environmental and planning controls are in place to manage noise, dust and vibration.

### Construction hours

These out of hours work will take place between Monday to Thursday, 6pm to 2am.

All other construction activities will be carried out during the approved construction hours:

- Monday to Friday, 7am to 6pm
- Saturday, 8am to 1pm.
